

Be An Example

Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity. (1 Timothy 4:12)

About the Author

Welcome to “Be an Example” catalogue

My name is Ami McPherson. I'm 22 years old and have enjoyed sewing since I was 9 years old. For some time I thought how nice it would be to sew clothes for others, since through Christ I learned that dressing in a modest, feminine way brings glory to our Saviour. He desires us to bring glory to himself and to keep ourselves pure in His sight. With that in mind I felt the Lord leading me into sewing for others as a ministry three years ago. is With a lot of help from my mother and my brother Joshua I was able to put this catalogue together. I pray that you will find this helpful and beneficial to you and your family.

News

It was in July of the year 2004 that the first issue of ‘Be An Example’ was sent out, mostly to friends and by word of mouth. It has been amazing to see the need for modest clothing and that there are other believers who have the same conviction of dressing in a modest way. Since the end of 2006 my younger sister (Elizabeth – 19yrs) has been helping me and also my other sister and mother help a bit too. It has been a way of serving families in an area that is not common today.

New Format

For those families who in the past have ordered from ‘Be An Example’ you will see that the format of the catalogue has been changed. After much prayer we decided to change the format and I hope that this new way will be much clearer and easier to work with, both for you and also myself.

New Fabric

Another change is that we have brought in a new range of fabrics. These are the materials in the three star price range. They are good quality Kaufman fabrics, 100% cotton (quality you would find in a patchwork shop) so therefore the price is more but your garment (providing good care is taken) will last much longer. The fabric is very soft and doesn't need a lot of ironing.

Materials.

I have quite a range of fabrics in three different price ranges. The fabric under the one * will match with the price underneath the garment with one * and the same for two and three stars. All materials are prewashed – but I do recommend only washing 100% cottons in cold water and to dry them only in shade.

Providing your own fabric / Patterns

If you would prefer me to sew any of our garments in your own fabric, follow the one star price and deduct \$8 for ladies dresses/pinafores/nightgowns and skirts, \$6 for girls and \$4 for babies. Deduct \$6 for ladies blouses and vests, \$4 for girls and \$2for babies. Please ensure if you do choose to use your own fabric that you send the right amount of fabric stated or a bit more. If there is not enough fabric sent then that garment will not be able to be made, so please ensure to send enough fabric. For dresses, nightgowns, pinafores, and skirts (except no. 53, 54, 55,) allow 3.5meters for ladies size 8-14, 4 meters for ladies sizes 16-22, 3 meters for girls size 7-14, 2.5 meters for girls size 2-6, and 1.5 meters for babies. For blouses and vests allow 2 meters for ladies size 8-14, 2.5 meters for ladies sizes 16-22, 1.75 meters for girls size 7-14, 1.5 meters for girls size 2-6, and 1 meter for babies. For skirt no. 53,54, 55 allow 4.5 meters all sizes. All these lengths are worked from 112cm wide fabric. You will need an extra meter for 90cm wide fabric and an extra half for long sleeves. If you want your own pattern used the charge of making it will be \$15 minimum (depending on pattern/work involved in pattern)

Payment.

Payment to be made by cheque or money order made out to Ami McPherson (where possible cash is preferred).

Postage

Postage will vary depending on how big/heavy your order is. An average price is about \$9.50 for up to about 5 garments (adult sizes). Please be assured that on every order I will endeavour to work out the cheapest way for your garments to be posted.

Ordering

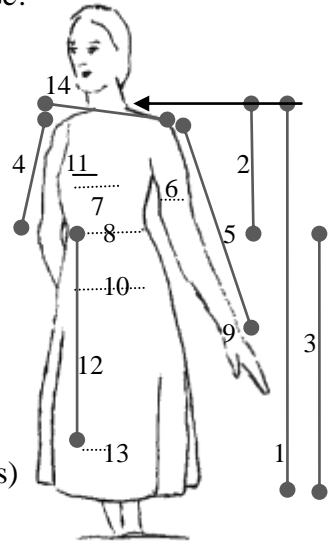

Choose which of our style/s you would like and the fabric/s in which you want it made in. Please make the necessary measurements so your garment will fit nicely. Give me a ring on either (08) 8536 3307, or 0417 085 387 to discuss what you need, and any special details, questions, etc.
